How It Happens

The team of a Deco-TEC weekend is composed of many people – students and adults, single and married people, ministers and youth ministers. Each member of the team demonstrates through their service on the weekend and their personal testimony, the living reality of Jesus Christ in their lives.

The Deco-TEC weekend revolves around people and the world we live in, offering small group experiences, liturgy, music, and good food in a relaxed atmosphere.

The growth experience of a Deco-TEC weekend affects and benefits all who participate – team members and candidates alike.
